

Welcome to the Waterhouse Group / NAPA Truck Heavy Duty Service Repair Business Financial Profile. Your completion of the following survey will enable us to give you an analysis of your business in comparison to your Heavy Duty colleagues. Your individual information will be kept extremely confidential and NAPA will never see your data except in the final form as percentages of all participants combined. You will receive a comprehensive analysis comparing your results with those of your colleagues.

We have designed the form so that it can be completed on your computer and then emailed back to us. To read the document **use the scroll bar** to move through the pages (**do not** *use the page up/down keys*). Please read the directions carefully. When you are ready to begin filling in the form, click your cursor anywhere in the directions and you will automatically be taken to the first fill-in field. Then **use your tab key** to move from field to field (**do not** *use the enter key*). To put a "check" in a checkbox hit your space bar or the "x" key. Please be sure to fill in the form completely. You may wish to print this file out for your own records.

Thank you for your participation in this profile. Please e-mail the completed file to *kbarnette@vinwaterhouse.com*.

## CRITICAL

READ THE FOLLOWING DIRECTIONS

## Before you begin... Look over chart of accounts

Please fill out the form **completely.** It is critical to define your revenue and expense categories exactly according to the definitions and terms listed below. Do not send us a copy of your financial statement ex (QuickBooks, etc.). Leave blank any categories that do not apply. Lines 4, 8, and 35 will be automatically calculated for you. Once you enter your total expenses in Line 34, Line 33 will be automatically calculated for you. This will become your chart of accounts for the future. Pay special attention to Line 21 *Payroll: Owner*.

## We prefer your most recent 12 months information

	SALES	Do not include sales tax in any revenue category
1.	Labor Sales	Just Labor Sales (less discounts and sales tax)
2.	Parts Sales	All Parts Sales less discounts (excluding fuel and tires) include tire sales if you do not stock them. Shop supply charges should be considered part sales because they come on your parts bill.
3.	Sublet Sales	All Other Sales: a- machine shop, b- towing (if you don't own tow trucks), c- hazardous waste, d- all other (exclude tax)
4.	TOTAL NET SALES	Sum total of above (1 through 3 automatically calculates)
5.	Labor Cost (tech wages)	Technician gross wages including incentives and bonuses paid.  Does not include employer benefits or employer taxes.
6.	Parts Cost	Cost of parts – if computerized, take from cost of sales report; if not use total years parts purchased (exclude fuel and tires) Include shop supplies
7.	Sublet Cost (outside services)	a) cost of machine shop, b) towing (if you don't own tow trucks), c) hazardous waste d) all other
8.	TOTAL COST OF SALES	Sum total of Lines (5 through 7 automatically calculates)

**EXPENSES** (Do not include depreciation on any expenses but include interest as part of payments). If you borrowed money to buy something, enter the total payment (principle & interest) in the appropriate expense category.

9. Accounting	Payments for accounting fees including tax preparation
10. Advertising	Payments for yellow pages, AutoCare fees, TV, radio, newspaper, dues, subscriptions, charity, trade organizations, fliers, business cards, electronic advertising such as email campaigns, Constant Contact, Demand Force, etc., electronic message boards in waiting rooms etc.

In order to complete the form you will need to <u>use the tab key</u> to move from item to item. If you need to change the information you have entered in a field, you can backspace over your entry and re-type your information. If you need to go back to a previous field to correct the information, you can left click at the beginning of that field, use the delete key to erase your entry, and then type in the correct information. To put an "x" in a "check box" simply press the space bar or the "x" on the keyboard when the cursor is in the field you want to check.

Please e-mail Kathleen Barnette at kbarnette@vinwaterhouse.com with any questions you may have.

## **REMINDER:**

- 1. Line 3 Sublet Sales should always be HIGHER than Line 7 Sublet Costs.
- 2. Be sure line 34 (Total Expenses) is completed.

  Remember Line 33 (All Other Expenses) will automatically calculate after you fill in Line 34.

  Double check you have NOT included anything from Cost of Sales (Labor costs (tech wages), parts cost, sublet costs) in line 34 (Total Expenses).
- 3. Be sure if you are a tire shop and deducted tire sales, you also deducted the number of tire invoices.
